To whom it may concern,

I am pleased to recommend P3 Cost Analysts to any organization. True to their word P3 has helped our organization save both money and improve our efficiencies in the area of telecom expenses for our school.

P3 has created **\$8,434.00 in monthly savings** as a result of their expertise. They also identified and negotiated a **\$125,000.00** refund for billing errors going back five years. On top of the financial benefit, they have been quick to answer our calls and responsive to our operational concerns, thus saving us valuable time and energy as well.

I would recommend P3's service to anyone wanting to save money or any institution needing expert assistance in this area.

Sincerely,
